**BIDS AND AWARDS COMMITTEE (BAC)  
BID BULLETIN NO. 3 (PB 2020-11)  
07 December 2020**

In connection with the above contract, and upon the recommendation of the TWG Staff for the above project, the NTA-BAC hereby amends pertinent items of the Request for Expression of Interest and Bid Data Sheet and Terms of Reference, as follows:

1. ISO Certification shall no longer form part of the Eligibility Documents but shall now become part of the Technical Documents.
2. Possession of ISO Certification shall be given premium as “add-on” in the determination of the final rating of prospective bidders, to wit:
  - a. Updated version of ISO Certification - plus 10%
  - b. Earlier version of ISO Certification - plus 7%
  - c. On-going re-certification - plus 5%

All other items of the bid documents, as earlier amended, shall remain the same.

Please be guided accordingly.
