

**REPUBLIC OF THE PHILIPPINES
DEPARTMENT OF AGRICULTURE
NATIONAL TOBACCO ADMINISTRATION**

**Joint Memorandum Circular (JMC) No. 2020-1
27 December 2021**

To : Local Chief Executives, Members of the Local Sanggunian, Local Budget Officers, Local Treasurers, Local Planning and Development Coordinators, Local Accountants, and All Others Concerned

Subject : GUIDELINES ON IDENTIFYING ELIGIBLE AND SPECIFIC PROGRAMS/PROJECTS FOR FUNDING FROM THE SHARES OF LOCAL GOVERNMENT UNITS (LGUs) FROM THE COLLECTIONS OF TOBACCO EXCISE TAXES PURSUANT TO REPUBLIC ACT (RA) NO. 7171 AND RA NO. 8240, AS AMENDED BY RA NO. 10351, AND AS FURTHER AMENDED BY RA NO. 11346

1. BACKGROUND

Under Section 6 of Joint DOF-DBM-DOH-DA-BIR Circular No. 001-2014, implementing Republic Act No. 10351, the DA and NTA, have been entrusted with the responsibility "to issue, in coordination with the DBM, the guidelines in identifying eligible and specific programs/ projects in accordance with Rule V and with any network plan required under the General Appropriation Act or any other relevant plan or program of the DA. Such guidelines shall require among others the submission of beneficiary LGUs of Work and Financial Plans as funding requirement and quarterly reports on the status of projects/ accomplishments, which plans and reports shall include objectives and verifiable indicators, including but not limited to, the global positioning system (GPS) coordinates of intended and actual project sites and photographs of works being constructed and/or upgraded".

The same has been affirmed under Section 3 of the DA-DBM-NTA Joint Memorandum Circular 2020-1, implementing Section 14 Republic Act No. 11346, providing for the Guidelines on the Allocation, Release and Utilization of the Shares of the LGUs From the Revenue from the Excise Taxes on Tobacco Products Pursuant to RA Nos. 7171 and 8240, as Amended. In brief, this covers initiating updates and amendment to the Agriculture and Fisheries Modernization Program (AFMP); the issuance of guidelines prescribing programs and projects that may be implemented by LGUs; resolving issues concerning eligibility and propriety of

programs and projects that may be implemented; and, assistance in the consultation/workshop to be conducted by the LGUs concerned with tobacco farmers to facilitate the identification of appropriate programs and projects.

2. PURPOSE

Pursuant to the pertinent provisions of aforesaid laws, the guidelines are issued:

- 2.1. To facilitate identification of programs and projects and ensure that fund allocations are effectively utilized for the intended purposes, as provided for under Section 2.3 of DA-DBM-NTA JMC 2020-1;
- 2.2. To institute, standardized processes and content in the preparation and submission of documentary requirements for the release of funding allocation; and,
- 2.3. To provide the basis for effectively monitoring the utilization of the shares of the LGUs and measuring the impact of the allocation of funds in terms of benefits derived in accomplishing purposes set under RA Nos. 7171 and 8240, as amended.

3. GUIDELINES

3.1. List of Programs and Projects That May Be Funded by LGUs Share, for CY 2020

The present Listing of Programs and Projects (Please refer to Annex "A"), updated as of 27 December 2021, as approved by the NTA Administrator and the Secretary of Agriculture, will serve as a valid basis for screening/evaluation/approval for above purposes.

As presented, the above list was a result of earlier consultative conferences with the various stakeholders for the purpose.

For any program/project proposal outside of the list, the Beneficiary LGUs may submit request for clarification, in writing, to DA/NTA or as has been earlier practiced, the DBM Regional Office may refer the matter to DA/NTA.

With consultation as may be needed, DA/NTA will submit its official response within five (5) days upon receipt of official query.

3.2. Updating of the Listing of Programs and Projects for the Ensuing Implementation

The identification, formulation and packaging of programs and projects, to tailor-fit to their specific needs, priorities, resources and capabilities shall be the continuing responsibility of the beneficiary LGUs.

By January of every year, the LGUs shall, with the assistance of the DA and NTA, conduct public consultations with tobacco farmers identified by NTA, pursuant to Section 2.3.4 of DA-DBM-NTA JMC 2020-1. Provided that the Local

Development Councils – provincial, municipal, city and barangay, shall be invited to participate in the said public consultative meetings by the LGUs.

This is in time for the plan and budget preparation processes of the DBM and the Regional Development Council as well as the submission of Budgetary proposal to the DBM, earlier set at 15 days after issuance of Local Budget Memorandum or 15 May, whichever comes first, under the IRR of RA No. 10351.

As deemed necessary, the beneficiary LGUs shall coordinate with the DA/NTA for the specific schedules in conducting said public consultation for the above purposes.

Corollary to the above, the DA/NTA may also conduct consultative meetings/workshops with the LGUs in connection with the continuing updating of AFMP and/or the Philippine Tobacco Industry Roadmap (PTIR), the Sustainable Tobacco Enhancement Program (STEP), including the inventory of resources, infrastructures and facilities, and to ensure effective interfacing of programs and projects, collaborative arrangement in the implementation and sharing of responsibilities especially on matters of funding/budgetary support. The activity will be participated in by other relevant units of the DA, particularly the Bureau of Agriculture and Fisheries Engineering and the DA/Regional Agricultural Engineering Group and other DA agencies/units whose assistance may be needed by the LGUs concerned.

Resulting from the above processes, an updated List of Programs and Projects, as approved by the NTA Administrator and the Secretary of Agriculture, will be issued by the DA/NTA.

3.3. Documentary Requirements by the LGUs for Release of Funding and for Monitoring of Utilization and Evaluation of Impacts of said Allocation/ Utilization of LGUs Shares

The Beneficiary LGUs shall furnish the DA/NTA a copy of the Work and Financial Plans for Release of Funding By the DBM, following standard format provided for the purpose.

To facilitate evaluation of plans and to provide the basis for the monitoring and evaluation, beneficiary LGUs shall attach to the above submission a Brief Summary/ Profile of each program/project, that will include among other information, the following:

- a. A clear definition of the problems and/or opportunities being addressed, and number affected and the nature and magnitude of effect;
- b. Major outputs and outcomes contributory to the attainment of the goals and objectives of the AFMP and PTIR/STEP, to include poverty reduction, employment generation, climate change mitigation/resiliency, etc., target beneficiaries for each;

- c. Critical interventions or strategies to be adopted including, specific results to be achieved for the attainment of intended outputs and outcomes;
- d. Geographical focus or location of the project including the Global Positioning System (GPS) coordinates;
- e. Market, technical, socio-economic and organizational viability and financial feasibility (as may be applicable), clear and verifiable proof of sustainability;
- f. Identification of participating agencies, as may be needed, and the specific roles of each; and,
- g. Work program, timetable and funding requirement.

The Beneficiary LGUs shall likewise furnish the DA/NTA of its accomplishment reports in compliance with its obligations and responsibilities, pursuant to Rule VIII of the IRR of RA No. 10351, as amended.

Resulting from the above, the DA/NTA shall submit its monitoring and assessment reports to the DOF and oversight agencies in compliance with existing laws.

4. DESIGNATION OF SECRETARIAT AND LGU REPRESENTATIVES

To facilitate coordination, beneficiary LGUs shall submit to the DA/NTA Secretariat its duly designated Representative and Alternate Representative for above purposes.

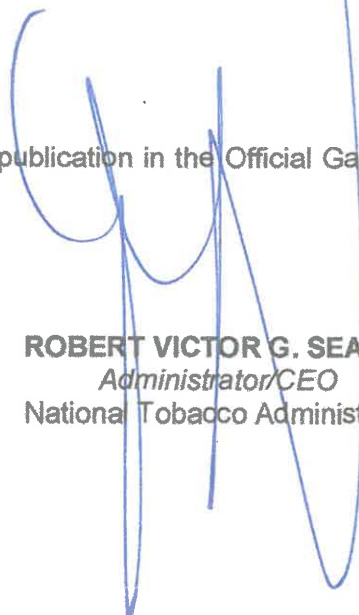

Under the direction of the NTA Administrator, the NTA Corporate Planning Department, (at 4F Benlor Bldg, Quezon Avenue, Quezon City, Tel. No.(02) 83723185/83723182, email: mis@da.gov.ph), shall serve as the Secretariat, with the Deputy Administrator for Operations as Team Leader for the Technical Operations; and, the Deputy Administrator for Support Services, for Interagency Coordination and Administrative support.

5. EFFECTIVITY

This JMC shall take effect immediately upon publication in the Official Gazette or in a newspaper of general circulation.

DA – NTA JOINT MEMORANDUM CIRCULAR NO. 2020-1
(SUPPLEMENTARY GUIDELINES TO DA-DBM-NTA JMC 2020-1)

ANNEX "A"

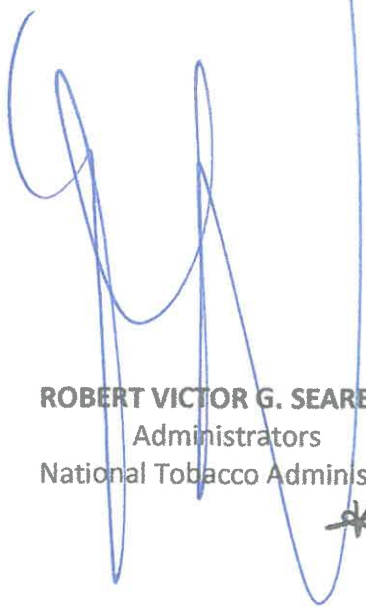

LIST OF SPECIFIC PROGRAMS AND PROJECTS THAT MAYBE FUNDED BY THE BENEFICIARY LOCAL GOVERNMENT UNITS (LGU's) FROM THEIR SHARE FROM THE COLLECTION OF TOBACCO EXCISE TAXES PURSUANT TO REPUBLIC ACT (RA) NOS. 7171 AND 8240, AS AMENDED BY RA NO. 10351 AND FURTHER AMENDED BY RA NO. 11346*

* The programs and projects were identified during the consultative meetings conducted by the NTA, initially in 2014, in connection of the Implementing Rules and Regulations for RA No. 10351 and in the preparation of the Master Plan/Roadmap of the Philippine Tobacco Industry, with the different industry stakeholders - tobacco farmer leader, tobacco manufacturers, wholesale tobacco dealers and exporters, congressional district representatives, beneficiary Local Government Units (LGUs) of RA 7171 and RA 8240. The submission of the beneficiary LGUs pertaining to same, after due evaluation, were likewise incorporated. The list **will continue to be updated** based on the continuing consultation with the different stakeholders.

REVIEWED/UPDATED AS OF 27 DECEMBER 2021

APPROVED:

WILLIAM D. DAR, PhD.
Secretary
Department of Agriculture

ROBERT VICTOR G. SEARES, JR.
Administrators
National Tobacco Administration

LIST OF PROGRAMS/PROJECTS THAT MAY BE FUNDED UNDER RA 7171

Provisions	Programs/Projects/Interventions
<p>a) Cooperative projects that will enhance better quality of products, increase productivity, guarantee the market and as a whole increase farmers' income</p>	<p>a) Production Assistance Programs</p> <ul style="list-style-type: none"> - Tobacco Production Project - Rice/Corn Production Project - Livelihood/livestock Production Projects - Tobacco Seedling Production Project - Tree/Bamboo Seedling Production Project <p>b) Irrigation Support Project</p> <ul style="list-style-type: none"> - Small Irrigation Systems - Small Farm Reservoir - Small Water Impounding Projects - Small Diversion Dam/Canal - Wind Mill - Open Wells and Shallow Tube Wells - Drip Irrigation - Water shed Development/Restoration/Enrichment - Deep Wells/Dug Wells - Rainwater Harvesting Facilities - Improvement/Rehabilitation/dredging/widening of natural waterways in farming communities <p>c) Farm Facility and Equipment</p> <ul style="list-style-type: none"> - Flue-Curing Barn (with accessories such as flue-systems, venturi or anawang furnace) and Air-Curing Barns (multi-purpose air curing sheds with black plastic cover) including centrally managed Curing or bulk curing systems - Hygrometer/Psychrometer/Moisture Meter - Hole Auger Machine - Grass Cutter - Farm Tractor and its accessories - Automated Weather Station (AWS) - Power Tiller/Hand Tractor - Water pump with accessories such as polyethylene hose - Farm-to-Market Road (FMR) - Sticking Machine - Automatic Rice hull/Corn cob Dispenser - Rice/Combine Harvester
